

# Contingency Money

Here at SPI Racing Wheels we offer a contingency program.

We pay you for winning with our product.

As of spring 2009 we will pay \$100.00 for a win at a large event.

\$50.00 for second

\$25.00 for third

You **MUST** have SPI wheels and SPI decal across the windshield or both sides of the truck.

## ***Rules for the money***

1. Large event means over 200 entrees. (They don't all have to be monster trucks)
2. We must be notified 60 days before the event.
3. You must show proof of entry and podium finish from events website. Pictures and text must be on their website stating you as the winner.
4. Monster Trucks and 2.2 Crawlers only.
5. We will only do 3 different classes at your event.

Preferably, we would like to be at your event. Have your promoter get in touch with us, the bigger the event the more money we will give out.

If your event is smaller, email us. We will consider all events, especially in the Great Lakes region.

**Remember, no wheels, no money.**

Thanks

Rick
