

# Monster Truck Wheel Warranty

SPI Racing Wheels have a life time warranty. If you bend it, strip it, or break it. We will replace it for free.

You will pay shipping both ways. (We are SPI not UPS)

One bent wheel is a bad crash. 4 bent wheels is called bashing. We will not warranty racing wheels for bashing. We have a line of wheels just for bashing.

We will warranty bashing wheels. Bashing Wheels are for bashing and Racing wheels for racing.
